PLOT

Grape variety: Aligoté
Colour: White
Surface area: 1.03 ha
in a single plot
Exposure: South
Soil: Clay and limestone
Vine age: 80 years old

A large single plot measuring 1 hectare, planted by “massal selection” (the traditional method of selecting suitable reproductive material from the best plants, in a particular farm or other holdings) in the 1930s on marly soil with southern exposure, on the border of the communes of Puligny-Montrachet and Corpeau. Rich soil, particularly suited to the production of “generic” Burgundy appellations (Chardonnay, Aligoté and Pinot Noir).
